About Me

Motivated detail-driven structural engineer with a passion for precise steel detailing and smooth project delivery. Friendly, reliable, and always aiming to create work that is safe, clear, and easy for others to use.

Skills

- Management Skills
- Creativity
- Negotiation
- Critical Thinking
- Leadership

Education

- **Masters Degree at Civil Engineering**
University of Architecture, civil engineering and geodesy, UACEG, Sofia, Bulgaria 2011 - 2019
Master's degree in Civil Engineering from UACEG – University of Architecture, Civil Engineering and Geodesy, with a strong focus on practical problem-solving and technical planning.
- **UK Naric ENIC Referecncce number - 4000671106**
RQF Level 7 / SCQF Level 11 / CQFW Level 7
The UK NARIC / ENIC confirms the official check of my qualification through the national recognition service. It shows that my degree matches Level 7 in the RQF and CQFW systems, and Level 11 in the SCQF system, which reflects an advanced postgraduate level of study.

Experience

- **Rema Design**
Structural Engineer Dec 2016 - Jan 2019
3D BIM and CAD modeling in Tekla Structures, covering assembly production drawings and general arrangement plans for small and large projects. Metal structure sizing with Eurocode. Unique custom metal furniture with rounded and angled forms.
<http://www.remadesign.net/>
- **Ircon LTD**
